“ What a great friend I was so lucky to have for more then 70 yrs. No matter where we lived or where I moved, we always kept in contact. She was the one that I consulted when making my final move to Sun Lakes Country club. As usual she gave me her advice and indeed helped me un-pack on a daily basis until I was finished. How great that I found my home just one and one half blocks from her and her darling Maggie Rose.

I will miss her with all of my heart - and will have a hard time understanding why she had to leave us so soon . . a friend such as she is very hard to fine! Rest in Peace my Dear One.

“ I will always cherish the note I received from Dianne after my daughter's wedding. It was an outside wedding in October & 5 minutes before guests were to arrive there was a downpour. Everything was drenched! We all tried to put it back together the best we could but I was so upset - mainly at myself for not having a plan B. The following week I got the sweetest card from Dianne saying how beautiful everything was & how much she enjoyed the wedding. It's been 9 years next week since that wedding & I still have that card with my devotional & I read it often.
