

Gregory Alan Quigley

August 7, 1953 - December 23, 2018

In Loving Memory...It is with great sadness that the family of Gregory Alan Quigley announces his passing on December 23, 2018, at the age of 65 years. Greg was a dedicated husband, father, grandfather, son, and brother and will be lovingly remembered by his children, Ryan (Angela), and Jason; five grandchildren, Rylee, Reese, Rowan, Edie, and Ollie; and siblings, Rodney and Renée Pluchinsky. Greg is predeceased by his wife, Robin Joy née Karpenko; parents, Arthur and Margaret; and sister, Susan.

He and Robin grew up together in the same neighborhood. Their love blossomed in their entwined childhood memories and spanned a lifetime, culminating in over 45 wonderful years spent side by side. From that love, Greg respected, encouraged, and supported his children through all obstacles of life and was an integral part of nurturing his grandchildren. All his grandchildren knew when you asked Papa for something, it was going to happen! As a son and brother, Greg was the bridge that connected the family. His devotion and commitment to family are Greg's legacy and will be deeply missed.

Greg served in the Army as a distinguished Vietnam War veteran and worked as an automotive parts salesman for over 40 years. He enjoyed fishing, gardening, and socializing with friends and family. Greg's sense of humor and laughter were infectious, and his stories were legendary! Some of his best fishing stories were with his dad in Lake Crowley, on the Colorado River with his boys, and for the elusive "big fish" in Alaska with friends.

Greg's family wish to extend a sincere thanks to the VA Loma Linda Healthcare System.

Military burial service will be held on January 16, 2019 at 11:15 a.m., at Riverside National Cemetery.
