“ Dear Hudson, Deborah, Janice and Dianne,
It was with great sadness that I learned of Susan's passing. Words are never adequate in moments like these, but I do want you to know that my heart goes out to you.

I remember Susan as a fun teenager, as I and her brother, Dick, would watch her dance at the Call's Studio.....dances that she so loved. I also remember how surprised we were at the high school graduation when it was announced that she had never missed one single day of school, from kindergarten through high school. It brought quite a murmur of "Wows" from all of the students, teachers and parents in attendance.

My your wonderful memories help to sustain you all during this difficult time.
With love,
Peggy Howard Miller
