“ Big Terry, I recall over 30 years ago when we became neighbors. We watched our kids grow up, and have kids too.
I always checked to see if you were driving an Alec (then Neal) truck since we both worked the highway. I would pull up next to you and turn all my level 3 lights on. Swear I could hear you laugh over the noise of the road.
See you on the other side brother, I'll know it's you when I hear "what's shakin".

“ Sad to see you leave us old friend.
Lots of memories from Little League with Jimmy and Troy, many back yard swimming sessions in the Summers, schools, and beach camping with Your dog Sabbath and Donny. One of my favorite memories is watching you drink a cold Orange Crush after throwing your paper route, and telling me how you enjoyed it so much and looked forward to one daily after work.
Will miss you forever.

“ So nice that you mentioned Donny JJ. I remember you guys going camping at the beach too. Donny loved Terry and he loved you too. Wish we could go back to the days when we are all together. Those were the best of times.

“ So many memories. You will forever be the big kid down the street! Ripping through the neighborhood on your Husky 250, pulling the front wheels off the ground in your Landcruiser, I am honored to play follow the leader offroading the fire road and the Cucamonga Canyon. The best of times! RIP bro...

“ Terry, I remember when your wife came into my salon and told me about the hot guy she met that drove a corvette. Suzi, and kids, my heart goes out to you all at this tough time. Just know we all will meet again

“ I’m going to miss you so much uncle Terry. Your greetings were always the best. You made everyone feel special. I’m going to miss your smile and laughter! I still can’t believe you are gone. You always will be in my heart. I hope you are at peace now looking down and smiling that warm smile that made everyone feel safe to be themselves and not get judge. Xoxo RIP

“ Terry I am so sad that you have left this earth but I am happy to know you are no longer in pain. I was thinking the other day about that time at deep creek, in your red jeep when my flip flop went into the creek. The water was high and moving fast and you said, "Get it DP". I thought you were crazy but I jumped in. The water was pulling me away from the jeep and I was terrified and you were laughing uncontrollably and yelling, "Come on, DP or we are leaving you". I got my flip flop and made it back to the jeep. You were still laughing, of course. I was so mad at you but didn't love you any less. I remember going to work with you and I remember the comedy clubs we went to and a lot of partying. There was the time that Tim brought you back that Tiki mug from Hawaii and you filled it and said, "Down it DP". I did. Then you said, "I didn't see you, you have to do it again. I did. I got wasted and you laughed that great laugh. There was the time you yelled at me and Tee for painting your fort. The time you yelled at me and Jo and said, "Kissing a girl who smokes is like licking an ashtray"!!! I have so many memories but mostly your kind heart and great laugh. I was so blessed to have the love of your family. These things I will never forget. Rest in Peace, Ter.

Love, DP
